

OUTDOOR READING CHALLENGE

Get into nature this summer!

Explore	Learn	Create	Connect
Bring your book to the beach or riverside	Go on an interpretive signed walk in your area	Draw a map of the nature in your backyard	Have a reading picnic with your family
Sit among the bees and flowers to read	Read a classic adventure chapter book	Write in a nature journal every day for one week	Invite a friend to bring their book and read at the park
Climb a tree with your book or read in the shade below	Bring a field guide outside to identify nature around you	Make a mini guide to the animals living near you	Enjoy bedtime stories cuddled up outside
Bring a flashlight and read under the stars	Read about the natural history of your area	Draw a natural map of your larger community	Read stories aloud around a campfire

OUTDOOR READING LOG

What did you read and where did you read it?

book	outdoor location
